出版者:Houghton Mifflin

出版时间:2006-12

装帧:HRD

isbn:9780618714858

The Large Print American Heritage® Dictionary, Revised Edition, approved by the National Association for Visually Handicapped, is the ideal dictionary for those who need or prefer large print. Comprehensive and up to date, it has more than 35,000 definitions, with the most current meaning always given first. Features include pronunciations, syllable divisions, and inflected forms. A style guide explains the rules of punctuation. A handy reference section contains tables for weights and measures, metric conversions, and U.S. states. With large pages, generous margins, and a clear typeface, this is an excellent reference for anyone who requires an easy-to-read format.
