Covering everything from perfect kisses to inventive kisses to all-over kisses, the "Pucker Up" kit can turn anyone into the world's greatest kisser. This fun little kit contains a tube of luscious flavored lip gloss (for delicious kisses); a purse-sized mirror to help you perfect that sexy pout; and a 32-page booklet of kissing quotes, dos and don'ts, and provocative ways to spice up your smooching, including creative techniques to try and suggestions for body parts to try them out on
