Loss is an inescapable part of life. Recovering from the death of someone close to us is especially difficult. Linda Drake, an intuitive life path healer, uses her gift for channeling souls on the Other Side to help the bereaved find comfort and healing. In "Reaching Through the Veil to Heal", she shares powerful, true stories that underscore vital lessons in accepting loss, coping with grief, understanding death and reconnecting with life. From the deceased wife who helps her husband find new love to the baby who uses his life to impart medical knowledge...these enlightening tales touch the heart and remind us of the soul's endurance. Readers can also find inspiration here to heal from other losses, such as losing a job or ending a relationship.
