Would you like to discover your infinite potential for healing and moving through life's challenges? If so, "The Power of Infinite Love and Gratitude" by Dr. Darren R. Weissman will help you view your life from a new and heightened perspective. You'll learn to unleash your mind and body's extraordinary capacity for healing; and you'll begin to understand the complex language of physical symptoms, dis-ease, and stress. This work reveals the journey of your spirit and sheds a new light on one of the greatest mysteries humankind has attempted to unravel--the subconscious mind. As you read, you'll find that you're learning how to transform and master your life based on these key lessons: The universe is infinite; you have free will--a choice with every experience; everything is interconnected; judgment is prohibited; the greatest power is self-love; you need to embrace life with the attitude of gratitude; you must take responsibility for your life; life has meaning; and much more.
