isbn:9781876871949

Get ready to sing and play with the Wiggles and friends, with this selection of 18 of their most popular songs and a whole host of special activities and games. These learning experiences use the songs as their starting point, leading to a whole world of creative adventures including model-making, puppets, games, jigsaws, simple foods, potato prints and lots lots more. The songs themselves are presented with the melody line in standard notation, the complete lyrics, and simple guitar chords suitable for a teacher or even for a young guitarist.
