Sex is the great human obsession. It puts a glint in the eye, a spring in the step and buns in the oven all over the world. Every day, there are around a hundred million acts of sexual intercourse and life would be dull without it. For a start, none of us would be here.

The Miscellany of Sex presents sex in all its myriad forms: unnatural and natural, weird and conventional, exotic and mundane.

只能说“大开眼界”哦，不知道作者怎么搜集到这么多稀奇古怪的逸闻的。  
对于了解人类的性的多样性，这是一本很好的书。  
当今国人多对性讳莫如深，对这一人类最重要的驱力视若无睹，而自己又在其中羞于启齿且不可摆脱。对于这种情...
