Bring in the big bucks. From choosing a property and the right tenant to financing, maintenance, and how to get the greatest return on a rental investment, this guide is

the most comprehensive and up-to-date book for anyone looking to profit from both residential and commercial rental properties. Readers will find all-new sample documents for every stage of the rental process, all-new sections on rental regulations and resources, organized by state, and a new introduction by Jeffrey Taylor, a national expert on rental property and the founder and proprietor of the most popular landlord website in America, mrlandlord.com.

- Lots of new content and a new introduction
- Expert authors who own and operate their own real estate company
- Because of record-low interest rates, rates of property ownership for rental use are high
