isbn:9781588180940

The ghost stories presented in this folkloric collection provide a supernatural tour throughout northern Georgia and the Atlanta area. Specters such as jilted lovers, restless murder victims, ghosts gone wild at a UGA sorority house, and a creepy boarder at a bed-and-breakfast appear in the stories. Spanning the time between the Civil War and the modern day, the spooky tales entwine legends with scientific details and paranormal phenomena.
