"The Recording Industry Sourcebook" is the leading music business and production directory. This is your #1 source for industry contact information, containing over 12,000 listings in over 60 categories. Approaching its sixteenth anniversary, this

perennial favorite has been given many new enhancements and new features. With annually verified listings, this sourcebook has been reorganized for easier use, with new introductions explaining and indexing each section. On top of that, a searchable CD-ROM of all the book's data is now included with every copy. The 2005 Sourcebook is the directory you need to conduct business in today's music industry.
