著者:Tom Regan

出版者:University of California Press

出版时间:2004-9-14

装帧:Paperback

isbn:9780520243866

More than twenty years after its original publication, The Case for Animal Rights is an acknowledged classic of moral philosophy, and its author is recognized as the intellectual leader of the animal rights movement. In a new and fully considered preface, Regan responds to his critics and defends the book's revolutionary position.
