Make a Wish, Any Wish! Engaging, innovative, and fresh, Gahl Sasson's approach to Kabbalah -- the ancient teachings of Jewish mysticism -- integrates mythology, scholarship, and practical exercises for seekers of both material and spiritual gratification. Based on his popular Tree of Life workshops, which incorporate meditation, dreams, and real-life synchronicities with myths, rituals, and philosophies from around the world, A Wish Can Change Your Life provides a universal path to finding and embracing all of life's riches. It teaches readers of every faith and religious background how to use the energies of the Tree of Life -- the blueprint for the creation of the universe -- to fulfill any wish, whether it is for material gain (a new car, a higher salary), personal improvement and pleasure (weight loss, a better job, more intimacy with a partner), or a life-changing message from God.
