isbn:9780738703534

When he was six years old, Patrick Mathews came face to face with the spirit of his dead Uncle Edward. As an adult, Mathews serves as a vessel of hope for those who wish to communicate with their loved ones in spirit. He demonstrates that the living can continue on-going relationships with the departed. Here Mathews takes the reader on a roller coaster of emotional stories including the dead husband who stood by his wife's side during her wedding to a new man.
