While making quilts is a priority for Helen Kelley, her primary passion is quilters themselves. And this love of quilters comes through in 'Helen Kelley's Joy of Quilting', her contribution to the 'universal quilter's support group'. Through these entertaining and light-hearted yarns, you will experience Helen's insights into the warmth and enjoyment of quilting. Join her as she delights in the support and enthusiasm of fellow quilters; experience her pride in accepting a gift of 'quilting rubble' and finding a home for it; smile at how she can 'read' fellow quilters through their pile of old quilt blocks and scraps and pieces; see a bit of yourself in the humble way she admits to improperly cutting and preparing fabrics; and chuckle as she candidly describes her messy workroom.
