Each book in the "Art of" series presents a comprehensive overview of the style of one of today's greatest bands. Classic riffs and insightful commentary on the music provide

players with the tools they need for a greater understanding of a particular artist's work. The Art of Steely Dan features analysis of more than 130 classic note-for-note intros, riffs and comping grooves, as well as discussion of Steely Dan's melody, harmony, rhythm, form, instrumentation and lyrics. In addition to all this, there is also a discography and a resources section to provide a plethora of other info about the band.
