The Only Authorized Guide to Parliamentary Procedure -- Now in a New Updated Edition The book on parliamentary procedure for parliamentarians and novice club presidents alike, Robert's Rules of Order is this country's recognized guide to smooth, orderly, and fairly conducted meetings. Robert's Rules of Order, Newly Revised is the only book to have been maintained since 1876 under the continuing program established by General Henry M. Robert himself in cooperation with the official publisher of Robert's Rules. This edition has been updated to address common inquiries, and it incorporates new rules, interpretations, and procedures made necessary by the evolution of parliamentary procedure. New features include: * Important information on the validity of meetings and votes using today's technology -- teleconferences, videoconferences, and e-mail * New line numbering in the margins for easy and quick reference * Easy to understand clarifications of the existing parliamentary procedure * Improved cross-referencing and indexing Over 5 million copies sold
