isbn:9780316787536

Finally in paperback, the story of the musical revolution that happened right under the nose of the Reagan Eighties- when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives reenergized American rock with punk rock's do-it-yourself credo and created music that was deeply personal, often brilliant, always challenging, and immensely influential. *Our Band Could Be Your Life* is a sweeping chronicle of music, politics, drugs, fear, loathing, and faith that is already being recognized as an indie rock classic in its own right.

评论

作者好像很喜欢Ian Mackay, 居然占了2个篇幅写小胸罩和fugazi.
所有乐队的故事都从80年代写到90年代中。是挺有意思的消遣读物。
