This is Not just another book on forgiveness; this one provides the necessary tools to help you forgive profoundly, more or less instantaneously and with ease. First published in 1997, this 2nd Edition builds on the success of the first edition which has changed hundreds if not thousands of lives. The book will more than likely change your life. It will transform how you view your past and what is occurring for you in the present, especially where relationships are concerned. Unlike other forms of forgiveness, radical forgiveness is easily achieved and virtually immediate, enabling you to let go of being a victim, open your heart and raise your vibration. The simple, easy-to-use tools provided help you let go of the emotional baggage of the past and to feel the joy of living in total surrender to the process of life as it unfolds, however it unfolds. The result is vastly increased happiness, personal power and freedom.
