著者:Caldwell, Wilma 编

出版者:Omnigraphics Inc

出版时间:2003-6

装帧:HRD

isbn:9780780806481

The Security Reference Series is modeled on Omnigraphics' highly successful Health Reference Series. Both series feature an easy-to-understand format, non-technical language, and comprehensive indexing. Individual volumes within each series cover a particular area of concern. Material in both series is collected from a wide range of government agencies, professional associations, periodicals, and other sources.
