Looking for luck, love, wealth, and health? The world's best-selling writer on feng shui takes you step-by-step down the road to happiness! Lillian Too, renowned author of books and articles on this ancient Chinese art, divulges the secrets of controlling the powerful forces of ch'i to bring success into our lives. With 179 tips on everything from personalizing interior decoration to improving family relations, it's the most practical,

thorough, systematic, and stunningly illustrated guide to eliminating every obstacle standing in the way of contentment. Enrich personal space by identifying auspicious corners, good fortune directions, and life-enhancing elements, and organize the household to intensify their beneficial qualities. Need to improve finances? Grow orange or lime plants, whose ripening fruits symbolize prosperity, or hang coins or bells on the doors. Sleep on an authentic Feng Shui bed, let carpets create solid foundations, and fill vases with the right flowers. Protect the home or office from the "shar chi" or "killing breath" of open shelves. And there's a reason traditional Chinese matriarchs keep cleaning paraphernalia out of sight-they know that visible brooms will "sweep away" the family's livelihood. Try one of many effective methods for ensuring togetherness and harmony between kinfolk, for helping children do well at school, and for attracting romance. As you put these time-tested ideas into practice, you'll feel your world getting better and better! 160 pages (all in color), 7 3/4 x 9 1/4. DELUXE PAPERBACK WITH FLAPS.
