isbn:9780824049478

The Encyclopedia's coverage ranges from the Bahamas to Tierra del Fuego and from Baja California to Uruguay, as it describes the extraordinarily rich and varied music of the people from all the countries south of the Rio Grande river. Unique emphasis is given to 25 native American cultures, including Yuma and Otopame (Mexico), Kuna (Colombia and Panama), Suya (Brazil), Quechua (Ecuador to Chile) and Mapuche (Chile and Argentina). Several articles are devoted to the popular music of Mexico, Brazil, the Caribbean islands and other areas.
