Here are more than 1,800 quotations, organized from A-to-Z, from America's consummate author - Mark Twain. A must-have for all Twain collectors, "The Quotable Mark Twain" is filled with his opinions about the people he knew, the places he's been, and the books he wrote, as well as more far-ranging topics, such as writers, billiards,

smoking, his family, and more. The book also includes 150 illustrations taken from the original editions of Twain's publications, source citations for each quotation, an annotated bibliography, and a complete index.
