The greatest creators in comics discuss the impact and importance of Spider-Man, and talk about how they have brought the web-slinger to life on the page over four decades. Illustrated with original script pages and all stages of artwork from sketchbook to finished page, this is pure heaven for every Spidey fan. This groundbreaking book features revealing interviews with Spider-Man's writers and artists throughout the strip's history, from original creator Stan Lee to current writer Brian Michael Bendis, from key artist John Romita to fan-favourite Todd McFarlane, and many other lively personalities behind the wall-crawling wonder. Instructional, fascinating and humorous, this book has something for comics fans, wannabe artists and hardened professionals alike.
