The psychic medium for New York Times bestselling authors John Edward and James Van Praagh brings us his unparalleled insights on life after death and communication with the other side. For over 20 years, internationally known medium Robert Brown has seen every form of crossing over. As a psychic investigator, he has tested and retested the claim made by spirit communicators: that there is no death. Though many prominent people have sought Robert's services, including Princess Diana, Robert has also helped thousands around the world communicate with their lost loved ones. Now he reveals what those who have crossed over want us to know about the other side and this world, sharing stories of clients who have gained peace of mind knowing that their loved ones do go on. This book will explain all Brown has found to be true in mediumship and the spirit world, including how the spirit world works through spirit communicators--or mediums, how the process of spirit communication actually works--how John Edward does what he does on TV, what happens when our physical body dies and our beta body reaches the other side, and what the spirits really want us to know about abortion, capital punishment, suicide, evil spirits, and man's inhumanity to man. He has also witnessed firsthand some of the world's greatest mediums, and through these interactions, what he has learned could change people's views on life and death forever, confirming that there really is life after this one.
