What if you could let go of the fear, worry, and indecision that steers your life? What if you could find your life's true purpose? What if every day was filled with a sense of fun, lightness, and magic? In her first book, psychic healer Laura Bushnell shows readers how to do just that, and live the life of their dreams. Laura Bushnell has been developing and teaching her life-changing techniques for over thirty years. She has a successful practice in Los Angeles, with clients ranging from CEOs to politicians, from stay-at-home moms to many top names in the entertainment industry. Through her study of ancient magic alchemy and ritual, Laura has developed a program that can work for anyone. Using her 7 Keys, readers will learn to trust their instincts, let go of the past, create enlightened relationships, and connect with their spirit. Through her own experiences and real-life stories from her clients, she employs a gentle, encouraging tone that makes the spiritual concepts easy to follow. From simple exercises for shedding fears, to more elaborate rituals for getting a new job, finding true love, connecting to angels, and more, Life Magic is inspiring, accessible, and filled with practical suggestions for creating results.
