出版时间:

装帧:Pap

isbn:9781591931560

Tree identification can be easy and enjoyable for everyone. These field guides feature professional, full-page photos and comprehensive, accessible information about each

tree's leaves or needles, bark, mature size, fall color, state-specific range map and more. Stan's Notes include helpful identification tips and interesting "gee-whiz" facts. Each book covers more than 90 common trees. Great size for use in the field.
