The Musician's Atlas, the best-selling contact and networking directory, is created especially for musicians and others to connect with fans and music business professionals. Completely updated for 2007, this ninth edition includes 15,000+ U.S.

and international contacts in more than 28 categories, including club talent buyers; college and festival bookers; commercial and college radio programmers; promoters and publicitists; film and TV music supervisors; distributors; marketing services; and other essential contacts. Highlights of this edition include more than 800 new performance opportunities; song contests and CD compilation contacts; and e-commerce services.
