著者:Levinson, Harold N., M.D./ Sanders, Addie

出版者:Natl Book Network

出版时间:1991-5

装帧:HRD

isbn:9780871316257

The author attempts to explain dyslexia to the children that suffer from it. The book presents the stories of eight dyslexic children. Levinson argues that it is vital to explain this complex condition to those who suffer from it. He has also written "A Solution to the Riddle of Dyslexia", "Smart But Feeling Dumb", "Phobia Free" and "Total Concentration".
