"The Complete Guide to OSHA Compliance" is an easy-to-understand, one-stop resource designed to help safety professionals, industrial hygienists, and human resources personnel ensure compliance with existing and upcoming OSHA regulations. This essential book explains employer and employee rights and responsibilities, and it provides everything you need to know about employer standards and standards for specific operations. "The Complete Guide to OSHA Compliance" describes the process of injury/illness recordkeeping and the reporting system required by OSHA. It also explains how to conduct a self-audit to determine whether a company is in full compliance. Furthermore, it informs companies of their rights in an inspection and explains how to handle citations and appeals, should they arise.
