著者:Judith Thompson

出版者:Playwrights Canada Press

出版时间:2007-4-1

装帧:Paperback

isbn:9780887548482

"Judith Thompson's writing is fuelled by her passionate sense of justice and her strong social conscience. All of her characters struggle to communicate their deepest inner longings to be heard, to be understood, to be witnessed. Like a verbal Michelangelo, Thompson slowly carves away the excess to reveal what always existed in the depths of her imagination."-from the introduction by Maria Lamont
