After five centuries of Eurocentrism, many people have little idea that Native American tribes still exist, or which traditions belong to what tribes. However over the past decade there has been a rising movement to accurately describe Native cultures and histories. In particular, people have begun to explore the experience of urban Indiansindividuals who live in two worlds struggling to preserve traditional Native values within the context of an ever-changing modern society. In Genocide of the Mind, the experience and determination of these people is recorded in a revealing and compelling collection of essays that brings the Native American experience into the twenty-first century. Contributors include: Paula Gunn Allen, Simon Ortiz, Sherman Alexie, Leslie Marmon Silko, and Maurice Kenny, as well as emerging writers from different Indian nations.

评论

原本好奇印第安人是如何解读自己的历史，如何看待与他们相关的节日（比如Columbus Day），其实他们很多人都不怎么了解自己的历史，倒是生活在保留地的人很具有浪漫主义情怀。
