The powerful, wise, and loving goddesses want to help you to realize your full

potential! The 44 goddess cards in this deck will help answer your questions and give you guidance about personal and spiritual growth. The goddesses are from Celtic, Egyptian, African, Judeo-Christian, Buddhist, and other cultures, and they work beautifully with your angels and fit in with any spiritual path. With the gorgeous artwork and enclosed guidebook, you'll get to know these goddesses intimately. You'll form relationships with Quan Yin, Green Tara, Lakshmi, and other benevolent deities; and you'll find out whom to call upon for specific issues. Doreen Virtue has created this easy-to-use deck to help you give accurate readings for yourself and others.
