Have you ever been in a situation in which you were caught off guard, left speechless, or, worse yet, put your foot in your mouth?

This easily accessible book focuses on those moments when knowing exactly what to say is both a challenge and important. From the light-hearted "how to react when your boyfriend gives you a blender as a gift" or "what to say when you run into another lady at a party wearing exactly the same dress" to the more serious "what to say to a friend who has had a miscarriage or to a friend who has suffered the sudden death of a parent."

As A Lady Would Say differs from other etiquette books. It not only offers suggestions for the correct thing to say in more than 100 social situations, but it gives humorous examples of the wrong thing to say as well. Saying the right thing requires a little logic, a bit of forethought, and a great deal of consideration for others. With the advice provided in this book, a lady will never need to stumble or stutter again.

评论

目前为止感觉最applicable不讲废话的礼仪书，核心思想为：面对煞笔请笑而不语

字大行稀。有些是common sense，而更多的总结起来就一句话：想显得是个上等女人，就别管闲事。总觉得不是个很积极的guide。还有很多已经不适合当代美国的内容。礼仪书里绝对有比这更好的

。三颗星是为了a lady does not say...那部分里欢乐强势的吐槽~
