Book Description This helpful booklet is a 'Quick Look' explanation of the rewritten laws. With additional decisions and interpretations. Updated annually to reflect the most current law changes. **About the Author** Bill Mason - has extensive experience instructing at and directing referee and referee instructor camps. He is the FIFA Law Interpreter on the Referee Commission of the American Youth Soccer Organization, and a USSF State Referee Instructor. He is an advisor to the MLS Los Angeles Galaxy. He has additional experience as a California state licensed coach, a USSF referee, a consultant to the Los Angeles Aztecs, a North American Soccer League Playoff Announcer. He is also a member of the U.S. National Soccer Hall of Fame. Larry Maisner- has had extensive technical and administrative experience in soccer as a USSF licensed coach and referee, Director of Coaching and member of the coach instructor staff for the American Youth Soccer Organization, director and instructor at numerous coaching camps and clinics, and a player in the Peninsula League of Southern California. His other published soccer titles include Practical Soccer Tactics for Youth Coaches (Macmillan, 1985) and The Waiting Game (Soccer World, 1975)
