isbn: 9780879307950

A renowned bass expert gives inside techniques to accelerate bass-playing style and proficiency Drawing from over three decades of performing, scoring, and recording, bass master Bunny Brunel has written his newest book for bass players who are

looking for a jump start to move in exciting new directions. His unique system is tailored for bassists of all levels, who will learn fresh new exercises, scales, fingerings, patterns, and ideas that will bring back their steam and take them to the extreme. The audio CD demonstrates examples from the book.
