出版者:Course Technology Ptr

出版时间:2002-10

装帧:Pap

isbn:9781931140256

If you want to produce recordings that sound impressive and musical, you need this book and CD. They're filled with techniques and examples designed to help your mixes come alive. You'll soon understand how the controls on your equalizers and effects processors really work. Follow step-by-step equalization guidelines for recording and mixing guitars, bass, drums, keys, vocals and other popular instruments. Learn how to use reverbs and delays to set your music in a controlled, blended and dimensional space. Discover how to craft and shape each sound, creating a complete, perfect mix.
