Tackle tapping one-on-one in this Private Lesson with MI instructor Jean Marc Belkadi

He covers: blues and classic tapping licks; scalar tapping licks; triads and arpeggios; advanced tapping licks; string skipping, multi-finger tapping, tapped bends, pedal points, open strings and other devices; and so much more. The book is in standard notation and tab, and the accompanying CD contains 75 demo tracks for listening. Each example is played at full tempo, and most are repeated at half speed.
