出版时间:2006-4

装帧:Pap

isbn:9781550026214

The Canadian UFO Reports is a popular history of the UFO phenomenon in Canada, something that has captured the imaginations of young and old alike. Drawn from government documents and civilian case files -- many previously unpublished -- the book includes a chronological overview of the best Canadian UFO cases, from the very first sighting of 'fiery serpents' over Montreal in 1662 to reports from the past year. There are chapters on the government's involvement with UFOs, UFO landing pads, media interest, and even UFO abductions. What were the 'ghost aeroplanes' seen over the Parliament Buildings in 1915, or the flying saucers seen by military officers over Goose Bay Air Force Base, Newfoundland, in the 1940s and 1950s? Was a prospector burned by a UFO in Manitoba in 1967? Did a UFO crash off the coast of Nova Scotia? Was Quebec invaded by UFOs in 1973? Find out here
