"We have traded tales, my buddies and I; of affairs, encounters, secrets, fears, self-promotion-of fantasies that we make real in the telling." In this, the first volume in Ethan Mordden's acclaimed trilogy on Manhattan gay life, he introduces a small group of friends-Dennis Savage, Little Kiwi, Carlos, and the narrator, Bud-and chronicles their exploration of the new world of gay life and the new people they are in the process of becoming. In a voice at once ironic, wistful, witty, and profound, Mordden investigates his suspicion that all of gay life is stories and that, somehow or other, all these stories are about love.
