SS Kommandant Rudolph Höss (1900-1947) was history's greatest mass murderer, personally supervising the extermination of approximately two million people, mostly Jews, at the death camp in Auschwitz, Poland. *Death Dealer* is a new, unexpurgated translation of Höss' s autobiography, written before, during, and after his trial. This edition includes rare photos, the minutes of the Wannsee Conference (where the Final Solution was decided and coordinated), original diagrams of the camps, a detailed chronology of important events at Auschwitz-Birkenau, Höss's final letters to his family, and a new foreword by Auschwitz survivor Primo Levi. *Death Dealer* stands as one of the most important and chilling documents of the Holocaust.
