Over 350 authentic bluegrass licks are included in this book, which also discusses how to apply the licks to create your own solos and expand your musical understanding and knowledge of the fingerboard. It features special sections on bluesy licks, trail-offs,

playing in closed positions up the neck, crosspicking, floating, double stops, and more. A special celebrity section featuring the licks of Doc Watson, Norman Blake, Dan Crary, Tony Rice and Mark O'Connor is also included.
