出版者:Gale Group

出版时间:1995-10

装帧:HRD

isbn:9780810389526

This acclaimed title answers the question "How do they make that?" with 100 in-depth, illustrated articles covering a wide variety of products such as silver, piano, camera,

paper currency and more. Each entry offers a straightforward, step-by-step description of the manufacturing and assembly process for the product. You'll also find historical information on the product, raw materials used, by-products generated during manufacture, quality control procedures, future applications and sources for more information.
