Correspondence capturing Dreiser's own take on his long and eventful life In addition to his novels, short stories, plays, poetry, and a flood of journalism, Theodore Dreiser is estimated to have written an astonishing 20,000 letters. "A Picture and a Criticism of Life" presents a selection from his previously unpublished letters and shows Dreiser in every mood and circumstance, from crisply professional to happily unbuttoned. Meticulously annotated by Donald Pizer, the selections often shed significant new light on the writer's beliefs and activities during the various stages of his long career. "A volume in the series The Dreiser Edition, edited by Thomas P. Riggio "
