Travel into a world of self-discovery and manifestation. Learn how to create your life exactly as you want. Experience becoming more conscious and truly know that you have the innate power to enhance or change your life. You are the co-creator with the Divine. As a single mother of two young men, a businesswoman, founder of a physical therapy and sports medicine clinic, medical intuitive, philanthropist, and teacher at heart, the author, and now publisher, Bianca Guerra, experienced much in the arena of health and healing and discovered that not everything is as it appears. There are many faces to illness and many modes of healing. From working with her patients, friends and family, and through her own experiences, Ms. Guerra learned that remarkable results and recovery from disease and illness can occur following a change in a person's mindset. She discovered that once people become conscious and understand to some degree why they became ill, they are usually on the road to recovery. She realized that there are certain steps that must be taken to manifest health and wellness. She began, somewhat unconsciously at first, to apply these concepts to different areas within her life, relationships, career, and finances, and realized that the same formula was used in each scenario. Learn who you are and what you want from life, and how to create it. Understand your role and influence in life and become a responsible, contributing participant in your world. Trust yourself and your divinity and utilize the knowledge and gifts given to you to help you live a happier, more loving and fulfilling life.
