This directory is published yearly to facilitate the forwarding of insurance claims throughout Canada and the United States. Its subscribers are adjusters, firms specializing in counsel to the insurance industry, insurance companies, and industrial and government offices. Listed are a total of 1600 independent adjusting offices, which offer dependable service to claims forwarders, as well as some 100 insurance counsel, who are experienced in insurance defence litigation. The arrangement of listings is national, geographical, and alphabetical: adjusters and counsel are listed by city, within province or state, and country. The editorial section includes a list of provincial associations of Insurance Adjusters, the Fire Underwriters Investigation Bureau of Canada, Provincial Superintendents of Insurance, the Fire Marshals of Canada, and a comprehensive listing of Canadian insurance companies. The listings are interspersed with informative advertisements from all fields of the insurance industry. Included as well are indexes to adjusters, insurance council, insurance-related industries, and advertisers.
