

Native Orchids of Australia

[Native Orchids of Australia_ 下载链接1](#)

著者:Jones, David L.

出版者:Perseus Distribution Services

出版时间:2006-8

装帧:HRD

isbn:9781877069123

In this spectacular and comprehensive book, orchid expert David Jones describes more than 1,300 species and subspecies of Australian native orchids. Almost every species is illustrated with a beautiful color photograph, and the detailed species descriptions include information about every part of the plant, as well as its

distribution, habitat, how to distinguish it from other similar species and its conservation status. A must for dedicated orchid enthusiasts, professional botanists or anyone interested in Australia flora.
