"Hot For Christmas" - P.J. Mellor. Boutique owner Allison Conroe just found her perfect Christmas gift, all gorgeously wrapped in well-worn denim. Rugged Texas loner Chris MacNeal is a sexy Scrooge determined to rattle Allison's chains - but the merry vixen has more satisfying games in mind... "Triple Xmas" - Valerie Martinez. All Deb wants for Christmas is a threesome with her boyfriend and hunky lumberjack Dale Lix. Unfortunately, her environmentalist lover considers Dale the "enemy." But with a little steamy persuasion - and some help from Mother Nature - Deb is ready to kindle her own kind of forest fire... "Cabin Fever" - Melissa MacNeal. Washing away his holiday heartbreak in whisky and solitude, ranch owner Danny Black thinks he's hallucinating when he sees a Christmas angel, wings and all, through a blizzard. It's cold outside, but soon things are heating up in his cosy cabin as angel costume and cowboy boots are tossed aside for some sinfully sweet holiday cheer...
