评论

找到了，这本是英意对照的。。

My lady, I believe you. But I don't want you to talk that way any more. There are many things that, seen from afar, seem awful, strange, unbearable; and then when you get up

close to them, they turn out to be ordinary, familiar, bearable.-That is why it is often said that their bark is worse than their bite.-This is one of those things.

德性高地赏马基雅维利，德性洼地看……

和君主论一起看更有趣。
