著者:Moura, Ann

出版者:Llewellyn Worldwide Ltd

出版时间:2002-3

装帧:Pap

isbn:9780738701813

GREEN MAGIC takes you on a journey of discovery through the basics of magical practice. It contains information not found in any other book: the use of gestures in moving energy, the stages of energy flow, the types of spells according to the Green tradition, and the psychology of magic. It explains the mechanics of energy raising and manipulation - in fact, how magic works.
