著者:Berger, Cynthia

出版者:Stackpole Books

出版时间:2005-7

装帧:Pap

isbn:9780811732130

Owls have always occupied a special place in the popular imagination, regarded throughout history as both a harbinger of doom and a symbol of wisdom. In this newest title in Stackpole's Wild Guide series, author Cynthia Berger explores the lives of these fascinating and mysterious creatures, including their fearsome hunting abilities, their surprisingly tender courtship rituals, and, of course, their haunting vocalizations. Also included is an identification guide covering the full range of North American species--from the tiny Elf Owl to the imposing Great Grey Owl--as well as tips for observing owls in the wild. There are even instructions for building your own nest box to attract these captivating birds to your backyard. Illustrated with gorgeous watercolor paintings and full-color photography.
