As fun to look at as it is to use, Cool Green Stuff features a gallery of environmentally friendly fashions, jewelry, bags, gadgets, home decor, and other one-of-a-kind products that were designed and produced to make the world a cooler and greener place. Inspired by the latest reports of “cool hunters” —a new breed of trend watchers who travel the physical and virtual world in search of cutting-edge

design—these products will amaze and tempt you. From a wine-bottle hanging lamp to floral bracelets made of vintage fabric, this collection showcases the imagination and innovation of leading designers at work around the world today. Some of the designs in Cool Green Stuff meet our environmental challenges head on, actually saving energy, water, and waste; others aim to tread lightly on our delicate planet. Each product is coupled with an explanation of its environmental significance, the materials used to create it, and its website\* so you can buy it. Best of all, when you start using the Internet sites to kickstart your own search for cool green stuff, a new, eco-chic world will open up to you. \* no one paid to be in this book
